POPULAR SPEAKING TOPICS

Drift Happens

Adam F. Jones, drawing from his extensive background as a former US Army Captain and UH-60 Black Hawk pilot, brings a powerful message of restoration, resiliency, and clarity in his renowned talk, 'Drift Happens.' With a focus on equipping teams to take ownership and thrive, Adam unveils four actionable steps to overcome setbacks and drive success. By fostering a culture of resilience and clarity, Adam empowers leaders to raise morale, unite their teams, and achieve mission effectiveness even in the face of adversity.

Rise Together

Adam brings to light the unparalleled power of teamwork as the ultimate competitive advantage in today's landscape. Drawing from his acclaimed work advising leaders in top-tier organizations such as Air Force Space Command and Boeing, Adam shares practical insights and actionable tools to foster cohesion and build a transformational culture.
